Making contributions to NESS Super

Superstream – SCH Online
New data and payment standards under the "Superstream" legislation will require employers to remit and pay superannuation electronically, in a prescribed format. NESS Super provides a solution for participating employers – SCH online – to help meet the new requirements.

SCH Online* is available now and allows NESS Super participating employers to make payments to multiple funds (in addition to NESS Super) from a single secure website and is an integrated enhancement of NESS Super's "EmployerAccess" online payment facility. It is an efficient and easy way to comply with the Superstream requirements and take the stress out of paying into multiple super funds.

Registration is quick via EmployerAccess. Some conditions apply, contact NESS Super on 1800 022 067 for information.

If you are not a participating employer of NESS Super, a clearing house service with your default fund can distribute contributions to NESS Super for employees that have completed this Choice of Super Fund Form. You may also pay by **BPAY** for individual employees, please contact 1800 022 067 for required reference codes.

*SCH-Online is operated by The Superannuation Clearing House Pty Limited (ABN 15 086 576 721), a corporate authorised representative of the product issuer, Pacific Custodians Pty Limited (ABN 66 009 682 866).
