Making it super easy to find your super

NESS Super can help you locate any superannuation accounts you may have lost track of.

SuperMatch is an electronic search facility provided by the Australian Taxation Office (ATO) to allow super funds to help members locate their superannuation (including lost, inactive and unclaimed accounts) as well as accounts held by the ATO. Completing this form will authorise NESS Super to conduct a SuperMatch search for any accounts in your name. We will contact you if we find any accounts, to obtain your further instructions.
